BUILDING TO BE 900 FEET HIGH

NEW YORK WILL HAVE A STRUCTURE CONTAINING SIXTY-TWO STORIES.

NEW YORK, June 29.—Plans for a gigantic building to be the loftiest in the world, overtopping the Metropolitan Life Insurance Company's tower by more than 200 feet, were filed today with the building superintendent by D. H. Burnham & Co. architects of Chicago, acting for the Equitable Life Assurance Society.

The building, which will be the new home of the Equitable Life, will occupy the site of the present edifice on the block bounded by Broadway, Nassau, Pine and Cedar streets. With its tower the new Equitable building will have sixty-two stories and be 909 feet above the curb, 209 feet higher than the Metropolitan tower with its forty-six stories. The flagpole will run up 150 feet higher. This immense skyscraper will cost \$10,000,000.

The plans provide for a main building of thirty-four stories, 489 feet high, which will be more than twice as high as the Metropolitan main building or that of the Singer Company. The main building will have a frontage of 1671 feet on Broadway, 152.3 feet on Nassau street, 304.2 and 312.3 on Pine and Cedar streets respectively.

Above the main building the tower will run up 420 feet. There will be twenty-eight stories in the tower. The present big building of the Equitable Life, erected during Henry B. Hyde's regime, will be torn down as soon as the construction details are settled and the contracts awarded.

BIG FEE FOR A WOMAN LAWYER

THIRTY THOUSAND DOLLARS WON BY VICTORY IN \$3,000,000 CONTEST.

CHICAGO, June 29.—Miss Mary E. Miller, a Chicago lawyer, will receive the largest fee said to have been given a feminine barrister, \$30,000. She will be the recipient of this for successfully prosecuting a suit on behalf of the grandchildren of the late William Bross for the \$3,000,000 estate left by him.

"There is nothing remarkable about the suit," said Miss Miller today, "we won, and of course the fee will be paid. It will be about \$30,000. There is no reason why a woman should not handle such cases as successfully as men lawyers."

Miss Miller is a suffragette and Socialist and has appeared frequently as a speaker at Socialist meetings.

"Have you had any proposals of marriage since the great fee was won by you?"

"No, not yet, because, perhaps, the money won't be paid over until the formal order has been placed in the court records. May be then, some one will want to propose to me by mail, but please don't suggest such a thing."
